# CLASS DESCRIPTIONS

## CARDIO

**CARDIO STEP (M-H)** A true favorite, this cardio workout will have you on and around the step in such a fun way you'll forget you're working out!! 5-10 min. may be saved for core work at the end.

**ZUMBA (M-H)** Let the dancing begin!! This Latin inspired class fuses international rhythms to create a one of a kind fitness party!

## CARDIO/STRENGTH

**TONE™ (M-H)** This class uses it all! High energy instructors, fun cardio and strength choreography, and motivational music will leave you fizzing with energy!

**BODYCOMBAT™ (M-H)** Get ready to step onto the mat or into the ring. This martial arts-inspired kickboxing workout will get your heart pumpin'. Learn moves from Karate, Taekwondo, Boxing, Muay Thai, Capoeira & Kung Fu.

**CARDIO CORE FUSION (M-H)** Core and so much more! This workout uses resistance bands, weight plates, and your own bodyweight to target and strengthen it all!!

**CARDIO MUSCLE SOLUTION (CMS) (M-H)** Ready to be bold? This low impact interval workout will keep your heart rate up while by combining strength and cardio exercises using a variety of equipment.

**CARDIO & KETTLEBELLS (M-H)** Swing your way to fitness. Hit both cardio and strength while utilizing total body movements to activate your core.

**MOVEMENT MATTERS (L)** This is a perfect class for seniors and special populations looking for supervised strength, balance, agility, and stretching exercises. This is a 45 minute class. (ProEx friendly)

**STEP & SCULPT (M-L)** Love step but need a little strength? This class is for you. This is a combination of everything we love about step and simple muscle sculpting moves.

**METABOLIC MELTDOWN (H)** HIIT training at its best! Programmed by our personal trainers, this is a 12 week progressive exercise class that is sure to burn calories, build muscle and get your heart rate pumping! (30 min class)

## STRENGTH

**BODYPUMP™ (M-H)** LesMills #1 format. This energy weight plated barbell class will leave no muscle untouched. High repetition and big moves boost endurance and speeds metabolism for rapid fat burn.

**FIT ENCORE (L)** With a focus on balance, posture, strength and stability this class is geared toward a senior population but also perfect for anyone recovering from an injury.

**MUSCLE SOLUTION (M-H)** Not feeling cardio? No Problem! This class will help build lean muscle and burn a ton of calories fun a variety of equipment without the cardio intervals.

**TRX KETTLEBELL (M-H)** Suspension training at its best! This total body workout will incorporate TRX, Kettlebell and bodyweight exercise to take your routine to the next level. (Advanced movements are involved in this class)

## CYCLING

**WAKE UP AND RIDE (M-H)** Grab your coffee and hit the road. Enjoy an upbeat ride to high energy music with hills, drills, sprints, and lifts! A great way to start your day.

**CYCLE & STRETCH (M-H)** The best of both worlds. Interval spin drills for endurance, power, and speed that include time trials, climbs, sprints, and pulls for an exciting and unpredictable ride. Followed by an extended stretch that includes a cyclists favorite yoga poses. **70 minutes**

## MIND/BODY

**CHAIR YOGA (L)** Find you Zen. Designed for a senior population or those just needing a seated option, this class will use the breath to flow through yoga poses without needing to get up and down off the floor.

**GENTLE YOGA (L)** Relax with a series of gentle yoga poses. This class helps improve range of motion, flexibility and strength. (ProEx friendly) Perfect for those newer to Yoga or those just looking for the perfect way to start or end their day!

**TAI CHI (L)** Balance your energy with this 30 minute class that brings together the mind, body & spirit as one. This is a wonderful compliment to any wellness practice. (Pro Ex friendly)

**YOGA FLOW (M)** Let's flow! This Vinyasa-style class links movement with breath while challenging your strength, balance and flexibility. A steady and rhythmic pace is maintained so some yoga experience may be helpful, but is definitely not required.

**TRANSFORM & FLOW (M-H)** Unite yoga and sport like never before! Prepare for a unique mind/body experience featuring traditional yoga poses, such as warriors, and traditional sport-influenced movements to keep beat with the latest new music.

**YOGA CHALLENGE (M-H)** Take your practice to the next level. You'll move beyond the fundamentals of breath, movement and alignment, by challenging your fitness with a rigorous flow to enhance stability, strength and power. Yoga experience recommended.

**BARRE (M)** No Dance background required. This is a total body workout that utilizes small, isometric movements, to sculpt muscles concentrating on hips, thighs, glutes, abdominals and arms on and off the barre.

**PURE PILATES (M)** You've heard about it and this is your perfect chance to try it. Pilates improves flexibility, builds strength, develops control and enhances endurance throughout the entire body. With an emphasis on alignment, breathing, developing a strong core, and improving coordination and balance this is a great addition to any new or existing exercise routine.

## AQUATICS

**AQUAFIT (M)** Take your land routine to the next level. This total body water workout builds muscle, increases aerobic fitness, and improves flexibility. No swimming skills are necessary. SW

**AQUA DEEP (M-H)** Grab a belt and jump in! This high intensity water workout based on velocity, drag, and current is designed to burn calories and make you sweat. You'll perform sports drills and directional changes to increase resistance and shock your body into higher gear. DW

**AQUA Party (M)** Splash and dance your way into shape with an invigorating low impact aquatic class. This pool party gives new meaning to the words, refreshing workout. SW

**AQUA 45 (M-H)** Need a boost? This class will provide 45 minutes of energy filled fun. You never know what your instructor may have in store for you. Will it be dance, Will it be intervals or will it be something brand new?

**GENTLE WAVE (L)** This soothing warm water class incorporates gentle exercises in both shallow and deep water to improve balance, range of motion and strength. WWP (Pro Ex friendly)

**MAKING WAVES (M)** Ready for a challenge and a change? This class will do both through a combination of cardio intervals, core drills, strength challenges and flexibility work. All of this in addition to the impact-free benefits of water. SW

**POOL PLEASURES (L)** Not a morning person? This is another class designed around gentle exercises to improve mobility, gait, and balance in the warm water pool. WWP (Pro Ex friendly)

**YOQUA (L)** Where meditative breath and the relaxing properties of water meet. This class will help relieve stress and balance the body with a series of yoga postures in our warm water pool. (Pro Ex friendly)
